PACKAGING

IT'S ALL ABOUT THE DETAIL

Wherever possible we add on our signature wooden Africa map shaped tag, showing the product is locally made. It's this type of attention to detail that makes these gifts extra special as well as showing they have been ethically sourced.

FRIDGE MAGNET

IT'S ALL ABOUT THE ENVIRONMENT

We do our best to minimize our carbon footprint.

Our smaller items such as fridge magnets and key rings are beautifully packaged on a recycled backer with a made in South Africa emblem.

These are then inserted into a plastic sleeve.

IT'S ALL ABOUT THE DESIGN

Many of our products are packaged in the off-cut of the wood they are cut from.

These are then inserted into a plastic sleeve with a rope handle.

Earrings are beautifully packed on a wooden backer.

GIFT BOXES

WOODEN GIFT BOXES ZAF-GBWD

Gorgeous packaging that's a gift in itself! These upmarket boxes won't go to waste. They are finished with an eco-friendly jute ribbon. Add a wooden tag for a beautiful finishing touch. They can be made to fit any of our products.

RECYCLED KRAFT BOXES ZAF-GBKRAFT

Simple recycled kraft board gift boxes that are made beautiful with a jute ribbon and made in SA sticker.

WOODEN TAGS ZAF-GBTAG

CUSTOM-MADE

IT'S ALL ABOUT THE WOW FACTOR!

Instead of presenting unoriginal mass-produced gifts that have become very mundane in the Promotional Gift Industry, let's work together to develop bespoke products that are unique to your business and corporate identity.

The options are endless!

LET'S BRING YOUR VISION TO LIFE
